

Blended Intensive Programme (BIP): Relativistic Fluid Dynamics

Tuesday, 26 May 2026

General relativistic (M)HD - Amphitheater F206 (09:00 - 10:50)

-Conveners: Luciano Rezzolla

time	[id] title	presenter
09:00	[6] General relativistic (magneto)hydrodynamics: Lecture 1 (F206)	REZZOLLA, Luciano

General relativistic (M)HD - Amphitheater F206 (15:00 - 16:50)

time	[id] title	presenter
15:00	[8] General relativistic (magneto)hydrodynamics: Lecture 2 (F206)	REZZOLLA, Luciano

General relativistic (M)HD - Amphitheater F206 (17:10 - 19:00)

time	[id] title	presenter
17:10	[9] General relativistic (magneto)hydrodynamics: Tutorial (F206)	CHIARINI, Annamaria REZZOLLA, Luciano

Wednesday, 27 May 2026

General relativistic (M)HD - Amphitheater F206 (09:00 - 10:50)

time	[id] title	presenter
09:00	[10] Applications of general relativistic (magneto)hydrodynamics: Lecture (F206)	REZZOLLA, Luciano

General relativistic (M)HD - Amphitheater F206 (11:10 - 12:00)

time	[id] title	presenter
11:10	[11] Applications of general relativistic (magneto)hydrodynamics: Tutorial (F206)	CHIARINI, Annamaria REZZOLLA, Luciano
