

Blended Intensive Programme (BIP): Relativistic Fluid Dynamics

Thursday, 28 May 2026

Hydro as an effective field theory - Amphitheater F206 (09:00 - 10:50)

time	[id] title	presenter
09:00	[15] Hydrodynamics as an effective field theory: Lecture 1 (F206)	BECATTINI, Francesco

Hydro as an effective field theory - Laboratory F103 (16:00 - 16:50)

time	[id] title	presenter
16:00	[18] Hydrodynamics as an effective field theory: Tutorial 1 (F103)	ROSELLI, Daniele BECATTINI, Francesco

Friday, 29 May 2026

Hydro as an effective field theory - Amphitheater F206 (09:00 - 10:50)

time	[id] title	presenter
09:00	[20] Hydrodynamics as an effective field theory: Lecture 2 (F206)	BECATTINI, Francesco

Hydro as an effective field theory - Amphitheater F206 (11:10 - 13:00)

time	[id] title	presenter
11:10	[21] Hydrodynamics as an effective field theory: Tutorial 2 (F206)	ROSELLI, Daniele BECATTINI, Francesco
